CHANGE, 'the act, process or result of making or becoming different', one of six explanations as found in Webster's Canadian Dictionary for School, Home and Office which I will refer to in advising you of 'changes' which have occurred since the 'Feb – Apr. 2022 edition of the Khartum Khronicle:

- The 'Motto' for Khartum Shriners has changed from that stated in the previous issue to **'Having Fun, Helping Kids'** ...
- The Garage Sale planned for Saturday, May 14th, 2022 has now become a **CRAFT & VENDOR Sale**, same date, location and time, 10am thru to 3pm.

On Friday evening, March 18th, 2022 our Membership Chairman, Noble Kevin Davis and his Assistants presented a 'Theatre Night' at the Shrine Centre ... a collection of Circus/Parade performances of 'bygone' days ... the Membership of Khartum Shriners in those days was/is unbelievable! WHAT A G-R-E-A-T NIGHT! to meet, socialize and see the many faces of members of-the-past & present (?)

active in their unit activities..

On Saturday, March 26th, 2022 Lady Shirley and I had the pleasure to represent the Nobility and their Ladies of Khartum Shriners at the Installation of Officers for the ensuing year of Sphinx Temple No.116, where Princess Lori Scott was installed as Queen of Sphinx Temple No. 116, Daughters of the Nile.

On Monday, April 4th, 2022, Lady Shirley and I had the pleasure to represent the Nobility and their Ladies of Khartum Shriners at Khartum Shriners Ladies Auxiliary Monthly meeting and were pleased to receive a Donation towards Khartum Shriners Building Operations.

As noted in the previous edition of the Khartum Khronicle, the Novel Coronavirus [COVID-19] and Omicron viruses have continued to present challenges to us. While they are not as severe as they once were with many of the Provincial Health and Safety Regulations having been relaxed or eliminated altogether, at a recent Divan Meeting the decision was made to follow the Provincial Health Guidelines wherein WE recommend

the wearing of a 'Face Mask' when entering the Shrine Centre.

Tickets for Khartum Shriners' major Fundraiser of the year: the raffling of a 1966 El Camino automobile are now available by contacting the office at (204) 925-1430, by E-mail at office@khartumshriners.org or through our Web Site

www.khartumshriners.org A picture of the vehicle as well as a Fact Sheet of the vehicle are shown elsewhere in this issue.

On Sunday, April 10th, 2022 Khartum Shriners held their ANNUAL EASTER EGG ACTIVITY, hosted by the Khartum Komedians. This event was 'OPEN' TO

ALL THE NOBILITY, THEIR FAMILIES, FORMER and PRESENT SHRINE PATIENTS and the PUBLIC from 1pm through to 4pm. People came and enjoyed some FUN, FELLOWSHIP and ANTICS of the Komedians. Given the last two years and the Provincial and Healthcare Restrictions placed on various activities, there were approximately one hundred [100] Children, former and present Khartum Shrine Patients, their families, Nobles and members of the general public in attendance.

Khartum Hospital Report

By *Illustrious Sir Don Thomson, Hospital Chair*

At the end of the first quarter of 2022, your patient transportation has provided for 19 patients to attend 23 patient visits, the majority went to Shriners Hospitals for Children Canada. One patient who went in February will be long term in Montreal for 2-3 months with 2 or 3 appointments per week (only counted as 2 visits). In addition, we had 3 patients who received a telehealth visit. Khartum's Transportation costs for the first quarter are about \$40,800. Some of these costs are a carry over from November and December invoices from SHC Canada received in late January and February. Due to weather related flight delays we recently incurred 1-day extra costs (taxi fares, meals and accommodations) for 2 patients. As well I reimbursed 1 family for luggage (\$63.00) that was supposed to be included in with their ticket. In the past I have had families' park at the Shrine Center and transported them to the airport and back, however with the gas stealing issues occurring in Winnipeg and our lot being unsecured, I no longer recommend our patients park overnight at the Shrine Center.

At the end of the first quarter of 2022 Shriners Hospital for Children Canada have received 5885 Patient encounters including 1566 new referrals, 331 Outpatient Encounters, 136 Telehealth encounters and 295 surgeries not including the 77 surgeries that were cancelled. In addition there were 36 surgeries conducted offsite.

To optimize holistic patient care, our interdisciplinary team has been working on optimizing the pre-operative process. The

streamlined approach is providing efficient, supporting and medically complete care to our patients who are undergoing surgery.

At Shriners Hospitals for Children Canada the Nursing Research Team have shown the incredible impact of using virtual reality to distract children during painful procedures. They are now recruiting patients for additional studies aimed at transforming this project from research into clinical practice by integrating virtual reality in the care continuum. Currently, healthcare professionals around the hospital, including social workers and pain specialists are calling upon nursing research to help their patients cope with pain or anxiety before and during a procedure. The next step is to make this accessible and establish the process, provide the tools and clinical guidelines for use by the care team.

Shriner's Hospitals for Children is rebranding the name to Shriners Children's – (Location). Shriners Hospitals for Children – Canada will conserve its current name (a registered trademark) and it has been confirmed that the current logo will remain in both French & English. This is the Canadian hospital's legal name and cannot change as it meets legal requirements in Quebec. The new "Shriners Children's" is used in the US, and as the overall umbrella branding. For Canada and Mexico, as seen on the website, which is Shriners Children's overall, we are still identified with Shriners Hospitals for Children – (Canada) (Mexico) in their section and elsewhere in

the text. The hospital, Temples, and other organizations that work with SHC Canada should continue to use the existing logos.

For anyone who is interested in joining the 4 Quarterly TEAMS meetings with Hospital Leadership, these meetings are open to all Shrine Members, Clubs, Units and Ladies Organizations. The information/link to join each meeting will be sent out to those on the Khartum's email list. The last conference call was held on March 23, however the 3 remaining conference calls are scheduled for June 8 (1 PM Eastern Time), September 28 (2 PM Eastern Time) and December 7 (2 PM Eastern Time).

Congratulations to the Daughters of the Nile Canadian Foundation, they will be recognized on May 20 with a plaque for their \$6 Million cumulative donation to the Canadian hospital. Because of the COVID protocols in place and the limited numbers for attendance this event will be a hybrid presentation (in person and virtual) via teams.

The Annual Shriners Hospitals for Children-Canada Invitational Golf tournament will be held at the Summerlea Golf and Country Club on Monday, August 8, 2022. This will be followed by the Annual Hospital Seminar which will be a hybrid in-person and virtual format on Tuesday, August 9th and Wednesday, 10th, 2022. Depending on Covid rules in place in the hospital at that time the in-person face to face space and or numbers may be limited.

Based on the first quarter experienced in the Twin Cities market, they have stated to **Cont'd on pg 5 . . .**

Khartum Hospital Report continued . . .

gain traction in how their ambulatory care clinic model is expected to operate. They have been in deep discussions with other organizations to identify how they can further collaborate in their markets to serve more children and spread their presence to align with Vision 2035. This includes getting back to their outreach locations on a more regular schedule, partnering with new organizations across the market and deepening relationships with existing organizations.

Operationally, they still face challenges burdened by outdated bylaws that need to change if they want to remain relevant and true to the Shrine mission of serving all children with the best care anywhere regardless of means to pay. This includes those children who have the financial means either independently or covered by insur-

ance who want to come to Shriners Children's. Unfortunately, the stigma of Shriners only serve "free kids" is still alive and we either have children not coming here because we are not in network with their payer or are those with financial means to pay as a self-pay but do not like to be identified as "charitable" and get free care. The beauty of our system is that we can serve all who can and want to pay or cannot pay. This is the differentiator that addresses healthcare disparity.

Clinically, Shriners Children's have started to add services back that had dwindled during the past several years due to market dynamics and the transition we made to an ambulatory care clinic. Some of these services are cranial facial services that will initially address plagiocephaly and in the future provide surgi-

cal care for cleft lip and pallet. As well they are updating their ultrasound so they can do needle guided steroidal injections and they have received final approval to install our sensory space therapy equipment. Lastly, by the end of April Shriners Children's Twin Cities hope to expand services for direct community referrals to therapy (this is huge).

Nobles and ladies thank you for everything you do to give each child in our care a better quality of life. However please remember, we do not provide "free care". We offer "the best care anywhere!!!" regardless of the patient's or family's ability to pay.

Fraternally

Membership Team

What can we say about membership that you haven't heard before? Maybe it's not so much what we say, but how we say it! The Shrine overall needs new members whether it be an individual club/unit or Temple we need new members on a continuing basis.

Membership dues fund our Temple, it's activities and initiatives, as well as contributes to Shriners International to perpetuate our brand which in turn supports, manages and sustains the overall mission of who we are and what we do. Collective energy of the membership (**The TEAM**) leads us towards our strategic goals. Now when talking about membership we can not do anything about a visit from the Black Camel and we lose members for different reasons. Our team is losing the edge with time. Masonry struggles for members as well, meaning that our pool of potential candidates diminishes

too! We must improve the FUN & FELLOWSHIP the way we know it should be. It's time to double down and recruit new active members to feed and nurture our fraternity. How are we going to do that? Well we know from surveys young people want to help out the communities they live in, so instead of meeting at Shrine House, get you shrine unit to hold a Tap Room evening at one of our local breweries, wear your shrine unit shirts and hats and MINGLE with the locals, have some cards on how the **BASN** works and have a 2 minute elevator chat ready to explain why we and you belong to the fraternity.

Every Noble has a personal responsibility to themselves and the fraternity to do their part in recruiting new members. We can do as many "mini ceremonials" as needed with the understanding that all our new Nobles and their ladies try to make the

Spring or Fall Ceremonial to get the whole story. Everyone in your Club, Unit, Band, Motorized or Clown unit needs to be looking out for potential candidates in your lodges, the Scottish/York Rites at your local RC Legion of ANAF Vets, thru your church or co-workers and the list is endless. If any of the above that we have mentioned are not Master Masons, then spread the word about how great it is to be a member of the craft and the World's Greatest Philanthropy, invite them to our public events and sponsor them in, mentor and guide them to the Ceremonial & Arch Ceremony.

UNDERSTAND: because of your personal relationships, only **YOU** can follow through and convert candidates into members - **NO ONE ELSE CAN DO THIS** - you have the **RESPONSIBILITY!**

So step up to the plate, it is time to hit this ball out of the park, you win and we win.

Khartum On the Move

By Noble Darrell Rostek

Khartum is on the move.

It all started early on a cold January morning when Noble Davis and I took off for the 1138 kilometre drive to the Mid-West Shrine convention in Green Bay, Wisconsin. Simultaneously our Chief Rabban Noble Klaus left from his home base in Sioux Lookout, Ontario. It was your typical winter in Manitoba, with nothing but blowing snow and a white backdrop as far as you could see.

Once arriving in Green Bay, we checked in and got ready for the convention, which was a complete success. We reconnected with our fellow Shriners across the MSA jurisdiction. During MSA we raised \$593 USD for the boat races. The three Shriners from Khartum even got to do some sightseeing at a local football stadium. This team is quite famous, but I will have to take our noble's word for it from Beja Shrine, something about Lambeau Field, Cheesheads and a man named Vince Lombardi.

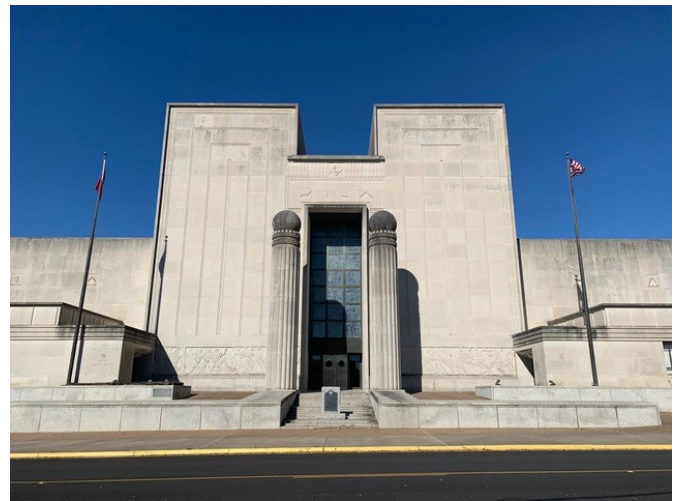

Even our return home was relatively uneventful except for the freezing rain, snowfall warning. For some reason, we can only be described as a large number of vehicles that simultaneously broke down at the border.

After receiving "very clear instructions" from the border guard, we managed to avoid.

It was a few weeks, and Noble Davis and I departed again for a Shriner conference, this time being joined by Noble Bob James. After two days and another 2056

kilometres, we arrived in Grapevine, Texas! There for the next couple of days, and we attended membership and marketing classes to learn how to advance the Shrine's mission better. This highlight of the trip was seeing the massive and marvelous Grand Lodge of Tex-

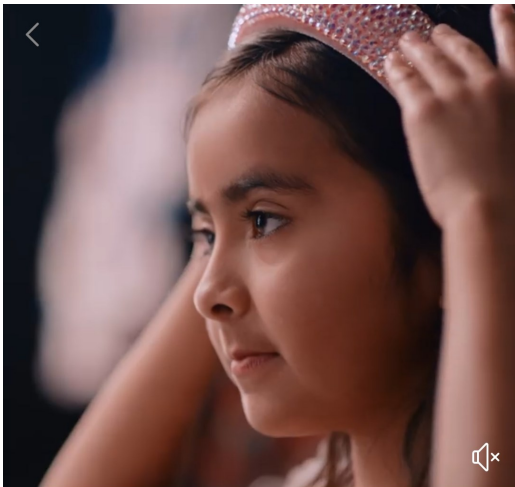

as getting a tattoo, and seeing the historic Fort Worth Stockyards. Ice cold Lone Star beers, Dr Pepper's and Skittles help heal us during our week-long conference.

Overall, it was great to meet up with Shriners across North America and the world and help celebrate fun and fellowship.

**Khartum Wolf Pack
Outdoors Shrine Club**

*By Noble Aljames (James) Jimenea,
President*

Nobles of the Wolf Pack Shrine Club have been anxiously waiting for the snow to leave and the summer fundraising and activities to start. Unfortunately we all hit a speed bump with the mid-April record setting snow storm. But this too shall pass.

The Wolf Pack has had conversations with several other Shrine Clubs and Units about working together for fun, fellowship and fundraising this summer. No specific details to comment on yet, but we should be getting more information out soon.

We have also recently acquired a potential logo for our club. Please see below what we hope will be the face of the Wolf Pack. We are just waiting for approval from Potentate Illustrious Sir Bill Gilchrist,

Hear the howl of the Wolf Pack!

Khartum Temple Patrol

By Noble George Einarson

Well, Hello to all the Nobles and their Ladies.

We hope that you are all well and obeying all the “Virus” rules and regulations.

For the first time in two years The Patrol had a meeting on Wednesday, March 23rd at the Shrine House.

To remind everyone here is the on-going executive Nobles and support Nobles who attended.
President Noble Carl Hrechka
Captain Noble Wayne Hudson
Treasure Noble Jim McKendry
Secretary Noble George Einarson

We were all on hand and ready for the coming summer events. Several other Nobles could not attend but were there in spirit: Nobles Wilf Bloomaert (at Holy Family Home), Murray Hurrell, Junjo Sison as well as Noble Wayne Hogberg who was in attendance.

The Patrol lost one of our outstanding Noble a few months ago. Noble Bert Jolly, Past President and the recipient of many honors and citations from HMCS Chippawa, The Masonic order, The Khartum Shrine, The Patrol and some community groups. Noble Bert collected used stamps for the Children’s Hospital for many years.

Noble Bert truly was a dedicated Shriner and Patrol member.

While all the “Pandemic” caused a lot of disruptions Noble Carl continued to drive the “Kan Van” around the city. Chief of Staff Noble George continued to liaison with the Shrine Office and

keep us informed by phone calls. Captain Wayne made visits to Noble Wilf, Noble Tom Pinchbeck and Noble Wally Stowell (honorary member & Secretary Emeritus for the Patrol. So some good things did happen during this “down” time.

Over the coming year the Patrol and the Provost units will be working closely together which will strengthen both units. We have met on the 2nd Wednesdays of the month and will on occasion combine our meetings to support one another. We have already had a “Ladies night” and had a great fun and fellowship together. As you can tell by the picture the Patrol and the Provost took part in the memorial service at the Shrine.

There are plans underway for the Patrol to enhance our participation on Parades and outings and to include other Shrine

Units....but more details will be announced in the near future.

Several of our newer Nobles have not been able to attend some of the Parades due to their work load in the Health care field but they pay their dues and try to attend some meetings.

We appreciate their efforts to participate.

As things open up we are looking forward to attending outings and celebrations but several of our Nobles will continue to wear masks for the safety of themselves and their Families. It’s better to be safe.

“CONGRATULATIONS” TO OUR New Potentate Illus. Sir Bill Gilchrist and Lady Shirley.

And Tip of the Fez for those units that are swinging into action like the Easter Egg hunt, BBQ and other activities Congratulations, On a somber note Pleas let’s all send and pray for the Ukraine People and the Children and our brother Masons

So that’s a little bit of news

Take Care

Khartum Drifters

By Noble Greg Ward, President

2022 has already been very busy for the Drifters. The biggest surprise for our unit this year was finding out that most novelty parade vehicles such as Go-Karts, Tin Lizzy's, Riding Coolers, Mini-Cars, and, most important to us, Drift Trikes are NOT covered for 3rd party liability coverage through personal homeowners or renters' policies here in Canada. As a result, if something happens while we are parading, the Noble riding these vehicles is personally responsible (out-of-pocket) for all damages and legal fees as their personal insurance will not apply. This is completely different needed coverage separate from the Khartum liability policy which will only protect Khartum and its operations.

This discovery brought into question the very existence of the unit in the future.

After an extensive search for a policy with many, many, many denials, the unit was able to finally secure a 3rd party personal liability policy to protect all members of the Drifters for parading and practicing activities with respect to these novelty vehicles. This policy ALSO allows all novelty vehicles to have coverage (not just Drift Trikes), so if any Noble has a novelty vehicle and wants to parade, please consider joining the Drifters to benefit from this protection – feel free to contact Noble Greg Ward for more information at greg_ward3@hotmail.com. We are really looking forward to once again parading safely this summer!

Further, we have undertaken our first independent fundraising event – the Easter Holiday Meal

Raffle. This fundraiser has been a resounding success whereby the unit was able to generate over \$1,200 in raffle profit. Our fundraising goals are to be used to support both Khartum and the Transportation Fund moving forward.

Congratulations to Tara D. on winning the Easter Holiday Meal Special and to Bill W. on winning the half Winkler Ham! Both winners were very excited about their respective wins!

We are also looking forward to hosting future fundraising raffles as well as hosting a couple Fellowship Events that will be open to all Nobility and their families.

On behalf of all the Drifters, stay safe, and we look forward to having some fun with all Nobles very soon.

Khartum Long Ash Cigar & Pipe Club

By Ills Sir Denis Lorteau, Treasurer

Greetings all:

Yes, we have a new Club and it's for those who enjoy puffing on a cigar or biting down on a tobacco filled pipe bowl.

This new club will start meeting on a regular basis in May, but we will have an informational meeting **7:30PM on Thursday, 28 April @ the Royal Canadian Legion #215 located @ 3600 De Vries Ave, East St. Paul.** If it is a nice night we can hold our meeting outdoors and enjoy a cigar or pipe and libation.

The cost to join this club is "**FREE**". This club is open to

all, but the executive will have to be Shriners according to our bylaws. Once this club gets going we will be able to raise monies through Cigar & Whisky events etc.

We have another piece of **BREAKING NEWS**, a new **CIGAR BAR / LOUNGE** will be opening in downtown Winnipeg sometime in May; we will have full details at our start up meeting on April 28th.

So what this club wants to do is interact with other like-minded individuals who enjoy our hobby and show them what Masons & Shriners are like. This club is no

different than a lot of **TAP ROOM Shrine Clubs** and they are bringing in new members to the Craft and Shrine.

So . . . we hope to see you on the 28 April @ Shrine House @ 7pm, bring a lawn chair and your favourite cigar/pipe and we shall enjoy an evening of fellowship under the stars.

If you cannot make it give me a call and we shall keep you in the know on other cigar/pipe evenings. Denis @ 204-471-4576

Khartum Komediants

By Illus Sir Jack Hooper, President

Greetings all, by the time you receive this we will have held the annual Easter Egg Hunt, with a twist this year . . . yep it was indoors. The Komediants along with the Klassie Klowns, the Pipes & Drums and Ritualistic "Bang A Gong" gang helped Harvey the Rabbit deliver Easter Eggs goodies to about 35 children and about 60 adults. We even had some of our Shrine Patients in attendance and it was so nice to see our kids in person again. Much thanks goes to many for making this event happen, in the kitchen Maryanne & Tara ensured the food and side dishes were perfect and sizzling hot for all to enjoy. The Klassie Klowns did walk arounds with stickers and posed for photos and of course the star of the show — Harvey, Peter's brother was there. All the kids and some adults sat on his knee for photos.

I understand he even did the moonwalk with the Pipes & Drums.

So have you heard about the Imperial Session is going to happen in Minneapolis, MN this summer? Did you also hear the Komediants have rented a bus for you to join us in seeing the Imperial Session? You get to ride with us in the bus and get your hotel room as well. All you have to do is phone Noble Jim "Klik" Krokosh @ 204-888-7433 for details. No driving on your part, just sit back and enjoy.

Last but not least, I want to tell you about one of our Komediants, his name is Murray "Specs" Knazan. He hails from Menorah Lodge and became a Master Mason in May 1979. He then went through Scottish Rite and joined the Shrine in October of 1982

and the Komediants in May of 1983. "Specs" is a whiteface clown with many talents and a devilish smile. He was elected President of the Komediants in 1993. He was telling me he followed Ills. Sir Harry "Fphoozziye" Rosenbaum P.P. into the unit at the request of Noble Alec Shields. He has many memories of circus in the "old barn" but his favourite one is when an elephant reached into his clown jacket pocket and took a candie that was in there. Funny thing was, this elephant remembered Specs . . . as Noble Murray use to give treats to the elephants. Who says elephants forget!

We we are hoping that our unit can do some parades this summer. Let's hope and pray.

Signing off . . .

Sioux Lookout Shrine Club

By Noble BJ Egerter, President

The Sioux Lookout Shrine Club is preparing for what we hope is an active and prosperous summer of fun and fundraising activity.

Although nothing has been officially confirmed or approved at the time of this writing, we are anticipating that our annual charity golf tournament, organized by the Ladies of the Sioux Lookout Shrine Club, will be concluding on Saturday July 16, at the Sioux Lookout Golf and Curling Club.

In 2020 and 2021, due to Covid-19 pandemic restrictions and safety concerns, the Sioux Lookout Shrine Club charity golf tournament has been held virtually, as we were restricted from holding the tournament in the more traditional manner.

Ritualistic Unit

By Noble Bob James, President

The Ritualistic Unit is actively supporting our members and sharpening their knowledge and skills. Noble Kevin Davis, Noble Darrell Rostek and I represented Khartum at the Membership and Marketing event in Grapevine Texas the last week of March 2022. The 4666 kilometer round trip and personal investment of our time and resources were most rewarded.

The most salient take away came from statements from the Imperial Potentate who said: "At an Imperial Executive Board meeting there are 22 of us. How many votes do you think the Imperial Potentate gets?"

As Covid restrictions are continuing to ease up, we are keeping our fingers crossed that we will be able to return to a more traditional approach to a golf tournament. That being said, there are many positive aspects of the virtual tournament that we will also be keeping. The best of both worlds, hopefully!

More details to come out on our golf tournament as they develop. Keep an eye and ear on Facebook, and other social media, as well as Shrine Unit Council meetings, and correspondence from Shrine office.

We will barely be recovering from our golf tournament when the Sioux Lookout Shrine Club expects to jump right in to our bbq fundraisers as part of Sioux

Lookout's Annual Blueberry Festival from July 29 through to August 7. In recent years, the Shrine Club has been asked to put on three separate bbqs for the Festival, and we are optimistic that this trend will continue. Again, details will be sent out as more information is confirmed.

Many Nobles and Ladies of the Sioux Lookout Shrine Club make the annual trip to Winnipeg for the Potentate's Ball, where we present the Potentate and First Lady with cheques from our fundraising efforts. We are looking forward to the opportunity to do this once again in October, and will be looking forward to seeing many of the Nobles and Ladies of Khartum once again.

Wishing you all a great and productive Shrine summer!

do the exact same things that you do."

Our Ritualistic Unit continues to be an example of what can be accomplished using Zoom meetings as we have been doing years before Covid19. We are looking forward to being of service to Khartum having been called upon to look after a Mini-Ceremonial at the next stated meeting on April 23rd 2022. Hope to see you there.

One. One vote. We have stressed and stressed and stressed the old paradigm was the Potentate is King, he is in charge of it all. The New Paradigm shift is you now have boards of directors... You need to go back and explain what you have learned here. The only reason you are listening to me is because it says Imperial Potentate after my name.

But there is a phrase... From the crowd I came and to the crowd I return.

I am no different than any of you in this room. I try to explain this to everybody as we travel across the country. We

Potentate's Lady

By Lady Shirley Gilchrist

The garage sale I was planning for the spring has now been switched to a Craft and Trade sale. The date will be Saturday, May 14th, from 10:00 a.m. to 3:00 p.m. No admission charged. There will be food and drinks available for purchase at a reasonable price and a small silent auction.

Please come out and support this fund-raiser as the proceeds will be for the Canadian Shrine Hospital. There is a copy of the Craft & Trade Sale poster included in this Kronicle. Please let your friends know about it, and if you are living in an apartment, perhaps you could put up a poster in your lobby or common room (if you are allowed).

The other fundraiser will be selling Mom's Pantry products this fall – to facilitate your Christmas baking! I will be giving out forms and catalogues in early September, the final date for receipt of orders will be Saturday, October 15th. Any help you are able to give, either buying products and/or canvassing your friends, would be greatly appreciated. Mom's Pantry can be done "on line" too! Products will be shipped the end of October/early November.

I hear some of the parades may be starting up this summer!

Khartum Ladies Auxiliary

By Brenda McKechnie, President

The Khartum Ladies Auxiliary was organized on February 6, 1925, with a \$300.00 advance received from the Khartum Shriners. Today, the KLA has 92 members with 16 “Thinking of you” (less active) members. This vibrant, dedicated and hardworking group of ladies is back in action following the previous two years of the Pandemic which stymied our meetings and fund raising activities. Our meetings in 2022 have been by Zoom, in person or a combination of both.

At the moment, we are fundraising by selling Wild Man Ricing products, including packaged, delicious soups and rice blends. We are preparing for our Annual Dinner on May 5 at the Khartum Centre with a buffet from Olive Garden and an evening of Bingo. In the fall, the fundraising plan is to hold a card party on October 6 and sales of Morden’s chocolates before Christmas.

We have had guest speakers at our meetings this year including Dr. Kelli Berzuk who spoke about women’s health issues, Constable Garni MacIntyre from the Winnipeg Police Service

who delightfully gave us advice about personal protection including scams, computer safety, credit cards and when walking in public etc.

At the April 4 KLA meeting, Ill Sir Bill Gilchrist gave us a presentation on Shriners Hospitals. Joining Ill Sir Bill were Divan members Noble Rick Jones and Ill Sir Doug McKechnie (Recorder). The KLA presented the Khartum Shriners with a \$500 cheque. As well, the KLA ladies heard a presentation from Jane Kidd Hantscher, the Executive Director of the Children’s Rehabilitation Foundation. Jane introduced herself to the ladies and her plans for the Foundation. The KLA had requested a list of children needing special adaptive devices, including I Pads and specialized bikes. The KLA presented the Children’s Rehabilitation Foundation with 2 cheques totaling \$7297.92. Please see the pictures of the presentations on April 4, 2022.

KLA continues to fundraise and more donations will be forth-

coming in the fall. The KLA does not hold onto the funds raised or use these funds to operate, but gives it away every year to a children’s charity in Manitoba like the Children’s Rehabilitation Foundation, or the Khartum Shriners Transportation Fund.
